Wanamaker's

A New Bicycle at a Lower Price. The Price, \$22.50.

All last year we tried to get a lower price Bicycle. Others had them. We investigated everything that came along-endeavored to get makers to build them for us, but we have never been able to get anything that we were willing to let our patrons buy at any lower prices than the Continental and Continent. That others sold poor wheels was no reason for us to sell them. This is the old and fixed principle under our entire business.

Happened Something Has

and we have to offer to-day

A Reliable Bicycle for \$22.50.

The bicycle will last long, but the quantity we have will not. It does not take a great while to sell hundreds of wheels here.

We are not at liberty to use the maker's name, but we can vouch for the fact that before we were obliged to take the maker's honored trade mark off, the price was \$60.

Under the new name---our name and our responsibility---the Coronet is

Of course the CONTINENTALS and CONTINENTS

are more than worth the money we sell them for. We shall always take care that no one beats them in quality and price. Coronet Bicycles—Frames of cold-drawn weldless tubing, 11-8 in.; head of 11-4 in. tubing. 24 and 26 in frames for men; 20 and 22 in. frames for women. Cones and cups turned

from tool steel carefully tempered; dust proof; fitted with ball retainers and felt

wasners.

The Coronet is one of the few wheels with large-size balls in pedals—a sensible improvement that will doubtless become of universal use. The bicycles weigh 24 pounds. Combination or rat-trap pedals; Garford saddle; Morgan & Wright or Peoria single tube tires. Right crank and axle in one piece; left crank detachable. Ram's-horn or adjustable handle-bar held by expansion fastener. One-fourth inch indianapolis chain; 28-in. wheels-32 spokes in front; 36 in rear.

TWO TRUNKS FOR THE PRICE OF ONE

If you don't want two, take one at half yesterday's price. They're slightly scratched on the outside—not half the hurts that will result from the first short trip. Perfect inside.

WERE \$15.50 TO \$41.50; TO-DAY, \$7.75 TO \$20.75

They are cheaper than we can duplicate them-so, with this lot, passes the chance to get Two Trunks for the Price of One.

WOMEN'S STYLISH SUMMER DRESSES, \$3

Reads like romance—maker best knows it's a fact. Not a dress in the lot intended to be sold for less than \$5-most of them more, up to \$10. Fabrics are crash, pique, duck and cotton covert cloth. Some plain, others beautifully trimmed with braid and contrasting color. First shown this morning. Price \$3.

WOMEN'S PANAMA STRAW HATS FOR A TRIFLE

Twenty cases of them go on sale this morning at less than we've ever known them. Seven styles—sailor shapes. Velvet, plain and fancy ribbon bands. Regular \$1 and \$1.25.

A OUICK GOOD-BYE TO 150 MEN'S SUITS

Fabrics are fine worsteds, cheviots and cassimeres. Up-to-date styles; perfect tailoring. Fabrics are fine worsteds, cheviots and cassimeres. Up-to-date styles; perfect tailoring. Early season prices were \$18, \$20 and \$23.50. To-day, TWELVE DOLLARS.

NOT MUCH TO PAY FOR FRAMED PICTURES

We've skipped the real value of a lot of framed Fac-similes, Water Colors, Etchings and Pastels, and priced them to insure a speedy riddance. 50c to \$3---less than half regular.
